

COMPOUND IDC-30

DESCRIPTION:

COMPOUND IDC-30 is a cleaner, disinfectant and sanitizer designed for general use in hospitals, food plants, and institutional and commercial buildings. It may be used to clean and disinfect in a single operation or to sanitize previously cleaned food-processing equipment and utensils.

COMPOUND IDC-30 has its own built-in indicator of germicidal activity. When the amber color disappears, a fresh solution should be prepared. This product is not adversely affected by water hardness or low temperatures.

PROPERTIES:

Appearance:	Dark brown liquid with mild odor.
Specific Gravity:	1.14
pH (1% by volume, DI water):	2.1 - 2.2
pH (1oz/5 gal, water – 17 grains hardness):	5.6 - 5.9
U.S.D.A. Status:	Sanitizer for all surfaces not always requiring a rinse. Category = D2

APPLICATION:

For general cleaning and disinfecting in a single operation, use 3 ounces of **COMPOUND IDC-30** to 5 gallons of water. For porous or exceptionally dirty surfaces and for mold control, use 6 ounces to 5 gallons of water.

For sanitizing previously cleaned surfaces, use 1 ounce of **COMPOUND IDC-30** to 5 gallons of water. Complete directions for use are on the EPA registered product label.

PRODUCT CAUTIONS:

DANGER! Hazard to humans and domestic animals. Corrosive. Causes eye damage and skin irritation. Harmful or fatal if swallowed. Do not breathe the spray mist. Avoid contamination of food. When using **COMPOUND IDC-30**, wear goggles or faceshield, impermeable gloves, rubber apron, rubber boots, and any other clothing or equipment required to avoid contact.

EMERGENCY FIRST AID:

EYES & SKIN: Immediately flush with large quantities of cool water continuously for at least 15 minutes. Call a physician. Remove contaminated clothing and shoes. Do not put contaminated clothing and shoes back on. Wash clothing and shoes thoroughly in soap and water; rinse repeatedly in clean water and dry before reuse.

INGESTION: Drink promptly a large quantity of egg whites, gelatin solution or if these are not available, drink large quantities of water. Call a physician immediately. Do not induce vomiting.

If use is contemplated for purposes other than, or by methods different from those specifically recommended herein, please contact the manufacturer for advice.

FOR INDUSTRIAL USE ONLY – KEEP OUT OF THE REACH OF CHILDREN.
