

MADISAN 10

DESCRIPTION:

MADISAN 10 is a disinfectant, sanitizer, fungicide, virucide and deodorizer designed for general use in hospitals, nursing homes, food processing plants, dairies, restaurants, etc. It may be used to sanitize and disinfect inanimate hard surfaces (such as floors, walls, sink tops, garbage pails, restrooms, processing equipment and instruments).

PROPERTIES:

Appearance: Off-white liquid with a mild odor.
Specific Gravity: 0.99
U.S.D.A. Status: Sanitizer for all surfaces not always requiring a rinse. Category = D2
EPA Registration: #10324-63-110

APPLICATION:

For general sanitizing of floors, walls and inanimate hard surfaces, apply **MADISAN 10** at 1 oz. to 4 gallons of water. For heavily soiled or contaminated areas, a precleaning step is recommended.

For sanitizing in food plants, dairies and restaurants, first clean and rinse the surface to be treated. Then sanitize with 1 oz. of **MADISAN 10** to 4 gallons of water. At this level, no potable water rinse is required. Before using **MADISAN 10**, food products and packaging materials must be removed from the room or carefully protected.

To disinfect in hospitals, nursing homes and other health care institutions, add 4 oz. **MADISAN 10** to 5 gallons of water.

To disinfect in institutions, industry and schools, add 3 oz. **MADISAN 10** to 5 gallons of water. For heavily soiled or contaminated areas, a precleaning step is recommended.

Complete directions for use are on the product label.

PRODUCT CAUTIONS:

Danger! Corrosive. Causes severe eye and skin damage. Do not get in eyes, on skin or on clothing. Protect eyes and skin when handling concentrate. Harmful if swallowed. Avoid contamination of food. Wear goggles to protect against unexpected splashes. Wear impermeable type gloves. Contains n-alkyl dimethyl benzyl ammonium chloride, n-alkyl dimethyl ethylbenzyl ammonium chloride and ethanol.

EMERGENCY FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, do not induce vomiting. Drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

If use is contemplated for purposes other than, or by methods different from those specifically recommended herein, please contact the manufacturer for advice.

FOR INDUSTRIAL USE ONLY – KEEP OUT OF THE REACH OF CHILDREN.
