

## MADISON CHEMICAL RECOGNIZED BY STATE ENVIRONMENTAL AGENCY – 2008

- Madison Chemical is honored by the Indiana Department of Environmental Management.
- 38 corporations and individual facilities have been named members of the Indiana Environmental Stewardship Program (ESP).
- The Indiana Environmental Stewardship Program recognizes and rewards Indiana businesses for doing more than the law requires to protect our nation's air, water and land.

*Madison Chemical employees accepting the ESP Flag from Indiana Department of Environmental Management's Commissioner **Thomas Easterly** and Assistant Commissioner **Rick Bossingham**.
