

MADISON CHEMICAL PRESENTS...

ProClean® Sanitation Line

INDUSTRIES ANSWER FOR IMPROVED SANITATION WITH MEASURABLE COST SAVINGS.

10% - 30% SAVINGS TYPICAL

ProClean® BOIL OUT

Liquid, non-foaming, heavy-duty, alkaline cleaner for tough, burned-on soils.

ProClean® CIP ACID

Liquid heavy-duty, non-foaming acid CIP cleaner containing phosphoric and nitric acids.

ProClean® CIP WASH

Liquid chlorinated, alkaline CIP cleaner.

ProClean® DEGREASER

Liquid concentrated, alkaline, general-purpose, foaming cleaner/degreaser that is safe on ferrous, aluminum and zinc alloys when used as directed.

ProClean® FLOOR CLEAN

Liquid alkaline cleaner with excellent solvency for removing oil, grease, tire marks and other heavy deposits from floors, walls and equipment. Safe for use on stainless and ferrous alloys when used as directed.

ProClean® FOAM

Liquid chlorinated, alkaline foaming cleaner, ideal for hard water conditions, with excellent cleaning properties for food soils.

ProClean® FOAM SAFE

Liquid chlorinated, alkaline, general-purpose, foaming cleaner, which is safe on stainless, aluminum and zinc alloys when used as directed.

ProClean® FOAMING ACID

Liquid foaming acid cleaner containing phosphoric and nitric acids.

ProClean® GP

Liquid mild alkaline general purpose product for manual cleaning.

ProClean® PAN WASH

Liquid, moderately alkaline cleaner that is free-rinsing. It is the product of choice in pan washing equipment.

ProClean® SMOKEHOUSE

Liquid non-chlorinated, foaming, heavy-duty, alkaline smokehouse cleaner.
